Couple's Date Night Ideas

Date night suffered since lockdown? Cut up the following date night ideas, put them in a hat and take turns choosing how to spend your weekly or monthly date nights – even when you can't go out!

Watch each other's favourite movie

Share your top 3 life experiences

Make a joint bucket list

Create a cocktail/mocktail together

Make homemade pizzas

Challenge each other to a bake-off

Make a scrap book of your memories together

Have a picnic in the living room

Give each other a massage

Have breakfast in bed

Switch off your phones and laptops and just be together

Do a puzzle together

Make a Tik-Tok video together

Plan your dream holiday (for when we are allowed to leave the country again!)

Draw a portrait of each other

Play a board game

Try a virtual visit (museums, aquariums, and National parks are offering free virtual visits!)

Play Hide and Seek

Tune into a dance club livestream

Research ways to 'give back' that resonate with you both!
