

## Charades

### Rules

Divide the players into two teams, preferably of equal size. Select a neutral timekeeper/scorekeeper, or pick members from each team to take turns.

Your team will have 2 minutes to guess the correct answer. A point is allocated only if the correct answer is guessed within the time limit. The team with the highest score wins.

We have provided three prompts per person, so you can play up to three rounds.

### Prompts for Team One

1. Opening a present
2. Going to the gym
3. Going to the doctor

### Prompts for Team Two

1. Putting your make-up on
2. Getting dressed to go to a party
3. Feeding a baby food
